What are the differences?

- Self referral
- Cost
- Perception
- Finite end dates

What services are out there for young people with AOD/mental health issues

WHO Four A's

- Accessible
- Available
- Appropriate
- Affordable

How can this happen?

Primary care practitioner

Specialist care practitioner

- Telephone for advice
 - Send good information
 - Attend training
 - Meet to discuss difficult cases
 - Come work in my place
- Telephone for advice
 - Send good information
 - Provide training
 - Meet to discuss difficult cases
 - Come work in my place

Blocks

- Ignorance of what's out there
- Funding
- Busy -ness of practitioners
- Not Having a common kaupapa so the team can work unhindered by bureaucracy

Do tomorrow

- **Map out** all the mental health and AOD services in your area however they are provided
- **Hold a meeting** of reps from all of them
- **Decide the cheapest and easiest** first, second and third steps – telephone advice, improve referral information both ways, case liaison, work in each other's places,
- **Arrange next meeting time** including who should be there that wasn't invited

The Most Important
